CARMEN AARONSON '24

1ST VICE PRESIDENT

Salvete! I'm Carmen and I'm the 1st VP of JCL! At SI, I'm in the orchestra and I play the clarinet. I enjoy playing Certamen, learning mythology, reading, and hiking.

FAVORITE LATIN WORD: My favorite Latin word is *aedificium* (meaning building) because it's a fun word to say!

When our year was just starting off, we decided to introduce our officers to SI through SI's own Instagram page! We discussed our other interests at SI and our favorite Latin words. These helped people not associated with JCL to know who was running the whole thing.

PENNY PYO '24

2ND VICE PRESIDENT

Salvete! I'm Penny and I'm so excited to be your 2nd VP this year! At SI, I'm a writer for Inside SI and an editor for *The Quill*. I love history, mythology, playing Certamen, reading, writing, drawing, and fencing.

FAVORITE LATIN WORD: *carmen*, meaning song, poem, or even charm/incantation!

Best Club Swag - SIJCL's T-Shirts

Every year, SI's finest get to design our t-shirts around Convention's theme for the year. This year, it was designed by Rini Saha who is pictured bottom right. Just right next to this text is the back of the shirt, where a hot air balloon combining with a light bulb look really shows SI's and Rini's ingenuity. We got 28 of these beauties out for SI!
